## President's Message

July-August 2021

As newly elected President of the Nutmeg Chapter of the ATHS, I would like to thank the Officers, Board of Directors, as well as the General Membership for the confidence you have in me by electing me President at the recent club meeting a few weeks ago. Over the past seven years as the club's treasurer, I have been exposed to the day-to-day operations of the club and have been able to work hand in hand with the officers of the club moving the mission of the organization forward in a very positive manner. It is my intent to continue to serve all members of the club as well as the responsibilities and duties that come with the office as best I can. I am looking forward working with all members of the club as wheels of the Nutmeg Chapter roll on!!!!!!!!!!!!!!

Members of the club are the greatest asset we have!!!!!!!!!! Over the years, I have seen many members step up in the club's time of need who were pressed for time with their own personal lives as well as recovering from illness and volunteer at events like the Annual Truck Show with 110 percent of their ability. I have learned that the members of the club are a hard working group of men and woman that treat others equal no matter what position they hold or how much they contribute to the club. Over the years, members gather together at bi-monthly meetings and share in friendship and stories. These acts serve as the backbone of the club and keep us strong. I encourage you to reach out to me directly or any other officer within the club if you have any questions, ideas, suggestions or concerns about the operation of the club. I have a blank slate and an open ear to your thoughts. Please feel free to reach out to me.

I would be remiss in not thanking Don for his leadership over the past several years. He guided us by keeping in touch with other Officers of the club and was open to our concerns and thoughts on all matters of the organizations business. His ability to keep members involved is a reflection of two very successful Truck Shows over the past several years. THANK YOU!!! It was great to work with him and I am glad to say that he will continue to serve the club as the editor of our newsletter along with Kathy.

As time moves along, we set our sights onto our next meeting on September 19<sup>th</sup> at the Toplands Farm. I would encourage all members to take advantage of the opportunity and make time to attend this club event. Dudley Diebold, a longtime member of the Nutmeg Chapter, has opened up the facility and property for us to conduct our bi-monthly meeting as well as giving all members a close-up and private tour of his collection of well over 250 restored tractors and trucks. It is one of the largest privately owned collections in the Northeast, if not the East coast.

Moving forward, the club is strong and is in outstanding financial shape. Membership is at a high point and there is a lot of very positive energy. As a group, we have gone through a lot over the past several years and have come out on the uphill side of these very testing times. Thank you for remaining strong!

Stay Safe, Stay Well. I look forward to seeing you at the September meeting on the 19<sup>th</sup>!!!!

Sincerely,

Tom Bachand, President

**Call to Order:** Donald Arnauckas, Nutmeg Chapter President, called the meeting to order at 2:10 PM.

### Opening:

The Meeting opened with the Pledge of Allegiance led by Chapter President Don Arnauckas. On behalf of the Club and accompanied by a round of applause, Don extended the members' appreciation to Rob and Vanessa Coutu who hosted the meeting at Coutu Truck Country in Willimantic, CT. The meal selections were abundant, the space was roomy and comfortable, the air conditioning was most welcome and the time and opportunity to explore the grounds and collections were available.

### Attendance:

There were 23 members and guests present.

### Secretary's Report:

A motion was made to accept the Secretary's Minutes of the April 18, 2021 meeting as they appeared in the Newsletter. The motion was seconded and the members voted unanimously to approve the Minutes.

**Treasurer's Report:** Tom Bachand Reporting period May – June 2021.

3. Show Account Activity: See Comprehensive Report under New Business Nutmeg Chapter 2021 Truck Show

RECOMMENDATION BY TREASURER TOM: Tom is recommending that \$2200.00 be transferred from the Show Account to the Savings Account (Savings Account serves as a reserve account for the Show Account, if needed.)

RECOMMENDATION #2 from the Floor: Raise the Boy Scout donation due to the fact that they are taking leadership positions now.

ACTION: These two recommendations will be on the agenda for vote at the November Annual Thanksgiving meeting.

4. Tom noted that Matthews Catering is available for the November Annual Meeting but is requiring a contract and deposit of \$1,000. to be held for two years dependent on any state mandates that might arise due to pandemic issues.

RECOMMENDATION OF TREASURER: Sign the contract and pay the deposit to keep the caterer commitment. Tom stated that he would negotiate for a lower minimum of attendees at 80.

ACTION: Members present voted unanimously to approve paying the deposit. There will be a "Save the Date" notification in the July Newsletter and an RSVP form and payment due notice in the September Newsletter.

### Membership Report:

Lance Dimock was not present at the meeting, but had reported to Tom that a few new members joined the Club at the Show and members whose dues had lapsed also paid and were reinstated as active members.

Anyone with photos is invited to send them via email and Kathy will post them. She is working with Jon Yeomans to learn more about the site, and Harold noted that the Webmaster is available for consultations and he will follow up with him to determine if there is a counter on the site.

### NEW BUSINESS: 2021 NUTMEG CHAPTER TRUCK SHOW

#### 1. FEEDBACK/FIGURES that contributed to income

Toy Barn: 18 Vendors, 1 canceled

Flea Market: 79 Vendors

Gate 1: 1496 Walk-ins (1225 in 2019)

Gate 2: 495 Walk-ins (415 in 2019)

Truck Registration: 356 vehicles

Sales of Tee Shirts, miscellaneous items

#### 2. EXPENSES

Advertisement: Smart Shopper, Minute Man Press Flyers, Shoppers Guide, Truckers Buyers' Guide, Connecticut Cruisers and Radio Station time.

Merchandise: Lawn Signs, Tents, Storage Boxes

Rental Fees: Danielson Elks Building for Registration Booth, Brooklyn Fairgrounds, Boy Scout "seed" money.

**NOTE:** Actual Show expenses were lower this year because 1) Tee shirts and dash plaques had been purchased previously for the 2020 Show that was canceled due to the pandemic and 2) Golf cart rentals were unnecessary due to the generosity of the Foscett's and Lee Johnson in donating their carts and transportation for the day.

3. **FACTORS CONTRIBUTING TO THE SHOW'S SUCCESS**

Weather, community support and enthusiasm for this event, multiple level advertising, volunteer coordination on both Saturday and Sunday, leadership of the Show Chairman John Raymond, response of Chapter members to President Don Arnauckas' appeal for volunteers, camaraderie and volunteerism of ATCA Yankee Chapter members from Danbury, as well as many individuals and family members who pitched in with time and effort.

4. **POSITIVE FEEDBACK**

Sue Desrosiers of ARC Quinebaug Valley came to the Show to see and understand just what the Chapter does to raise money for the donations to ARC, Spectator departure comments: "Great Show", "We'll be back next year"

5. **RECOMMENDATIONS FOR 2022 SHOW**

- ATM requested by spectators.....Fairgrounds decision
- Car gate backup due to number of spectators attending .....might consider a Plan B for the future
- Vests for additional parking guides
- Paid Photographer
- Invitation to a television station for local interest and interviews
- Sign listing charities to which the Club has donated from Show income
- Tree trimming if needed at the truck entrance.....Fairgrounds responsibility
- Toy Barn reserved and diagramed spaces.....maybe 22 available after re-measuring the area
- Redefined the small truck parking to three lanes; recommend bigger spaces and cordoned off area for overflow
- Raise vendor rental fees (Flea Market and Toy Barn) from \$25 to \$30 to help offset the Fairground rental fees
- Provide a Flyer or Card invitation to join and/or volunteer as a member. Registration Booth? Or in trucks?
- Decision must be made regarding the Cornet Band. They did not attend this year due to the required spacing of 35 members being six feet apart on the stage that could not be accommodated. Members question if the Band is even needed or desired in the future.
- Flea Market Vendors.....should they get dash plaques and when.
- Flea Market parking help with the vendors.

**Joan Greene, Canterbury, CT • Steven Marshall, Lisbon, CT • Tim Walz, St. James, NY**

***An Outgoing Message from Don***

*It does not seem that I became President of the Nutmeg Chapter two and a half years ago. It has been a blur.... I think I have the record for planning and then cancelling events. It has been an unusual two and a half years in our Country and the World. I would be lying if I said it was not frustrating. With all the uncertainty, the bright spot was a very successful 2019 Truck Show, only to be out done by our 2021 Truck Show. I have to thank all those who attended this year's Truck Show. A HUGE Thank You to all who volunteered at this year's show. The Show could not happen without your support. We had help from family members, friends and members of the ATCA Yankee Chapter. With 356 trucks and over 2,500 spectators, everyone worked hard and our Brooklyn Show was deemed a success. Thank You Again....*

*I want to thank all the Chapter members for their support and encouragement during my time as President. Thank you to the Officers who helped me learn and carry out the President's duties. I believe I am passing the Chapter on to a very capable team. Tom has shown us his leadership skills with doing a meticulous job as our Treasurer and providing advice on all Chapter matters. Kevin, our new treasurer, will have expert guidance from Tom. We have a mix of experienced and new Officers and Board members. The Nutmeg Chapter is in great hands for the future.*

*I ask that you continue your support of the Officers of our Chapter. We need to keep the Chapter viable, keeping up with modern times, while retaining our traditions of the past 38 years. Continue to be active members by sharing your ideas and helping when things need to be done.*

*Sincerely,*

*Don Arnauckas*

**WE ARE IN NEED OF TRUCK SHOW PHOTOS FOR OUR NEWSLETTER, WEBSITE AND FACEBOOK PAGES**

IF YOU HAVE ANY PHOTOS THAT YOU TOOK AT THE SHOW AND WOULD LIKE TO SHARE THEM WITH OTHER MEMBERS, PLEASE SCAN THEM TO KATHY SO THEY CAN BE POSTED IN FUTURE ISSUES. THIS IS A GREAT WAY TO SHARE OUR CHAPTER EVENTS WITH OTHERS AND PERHAPS SPREAD THE WORD ABOUT THE NUTMEG CHAPTER.

MANY THANKS FOR YOUR SUPPORT.

  - \* **Chico Aragi** was unable to attend the National ATHS show in Harrisonburg (first show he has missed in years) due to some health issues. He has followed Doctor's orders and is feeling much better now. It was good to see him at the Brooklyn Show. Take care, Chico.
  - \* John **O'Connor** has not been up to par after being diagnosed with Lyme disease and some other health matters. John reports that he is much better. Happy to hear John is back to his 'old self.' Hope to see you at our next meeting.
  - \* **Charlie Dainton** has recovered nicely from his surgery in May and was able to take care of the Flea Market vendors at the truck show. Good to see Charlie back on the scene and that he was able to attend our July meeting.
  - \* **Harold Foskett's** is diligent about the PT needed to recuperate from his double knee replacement in May. It was great to see him and Cynthia at our July meeting. So good to know your recovery is going well.
  - \* **Jim Dowd "JD"** continues to face medical problems and is homebound. He faces surgery later this month. He likes to keep up on Nutmeg activities. I am sure he would enjoy hearing from fellow members.
