President's Message

May-June 2022

Welcome Spring and Daylight Savings Time

What a great way of kicking off the 2022 spring season with a Chapter meeting in Bethlehem, CT recently hosted by Matt on Sunday March 20th. Since our last visit, he has been busy expanding his business with an addition as well as constructing a model train hobby building. His attention to detail in the restoration of vehicles as well as the train building is amazing. Matt's energy does not stop at his facility. He is a strong supporter of those in need within and around his community. Thank you for all you do! I would also like to thank Don and Kathy for assisting with the set-up and coordination of this event with Matt on behalf of the chapter.

It was nice to see a large group of members as well as guests in attendance at the meeting. The chapter had a strong representation from CT, MA, as well as from the Long Island, NY chapter. With the rising cost of fuel and transportation, the Directors and Officers of the chapter would like to thank each of you for taking the time and joining fellow members for the business meeting as well as socialization. Great food and a huge table of sweets – it cannot get better than that.

The focus of the meeting was mostly directed towards the up-coming annual truck show that is on Sunday, June 26, 2022 at the Brooklyn Fair Grounds. The Directors, Officers and General membership would like to thank **John Raymond**, the Truck Show Committee Chairman, for his years of service to the Chapter in the coordination of the annual event. His ability to have all of the pieces needed for a successful show fall into place year after year is an art form; he does his job and makes it look easy. The Chapter presented John with an embossed sweatshirt at the meeting as a token of our appreciation for his efforts. Thank you!!! As in the past, this is an all-hands-on weekend for our Chapter. Please contact me or any of the Officers of the chapter, if you are able to give us some of your time on either of the weekend show dates in June. A number of items related to the operation of the show were discussed at the meeting; the Directors will be addressing some of these items at their next meeting and report back to the membership at the next regular meeting that is on May 15th, at the Haul of Fame Museum.

A dash of warm weather over the past several weeks has gotten me, and I suspect many of other club members, to wander out to their barns or storage locations to uncover and start up their vehicles. I try to stay on top of mine by starting them every couple of weeks during the off-season. Judging from the sounds coming from my flathead engines, they were not happy with the extreme cold. Vehicles with six-volt systems and antique motors may now enjoy a break from the cold and again give us some enjoyable road time in the up-coming months.

Looking forward to seeing each of you on May 15th!!!!

Tom

Directions to Haul of Fame Truck Museum – 133 Packerville Rd, Canterbury, CT 06331

I-395 Exit 29 and go West to Stop Light, Turn Left on Route 12 South

At next Stop Light- turn Right on to Route 14A West. Continue straight through Plainfield, crossing 2 sets of Railroad Tracks.

Bear Left at Stop sign on to Packerville Road which changes to Packer Road. There will be two Stop signs on this road. It is approx. 3 miles from the Packerville Road Stop sign to the Haul of Fame Museum. Watch for “Willimantic Waste” on the left.

Members are encouraged to come early and see what is new with old trucks. Members are asked to bring a snack or dessert to share. A light lunch will be provided.

“Dedicated to preserving the dynamic history of trucks, the trucking industry, and its pioneers.”

Minutes of Nutmeg Chapter Meeting
March 20, 2022

Call to Order: Tom Bachand, Nutmeg Chapter President, called the meeting to order at 2:10 PM. This meeting also hosted the special event of the Table Top Toy Truck Show.

Opening:

The Meeting opened with the Pledge of Allegiance led by Chapter President Tom Bachand. Tom expressed appreciation on behalf of the membership to Matt for inviting the Chapter to hold its meeting at Pfahl's Mack & Antique Truck Restoration in Bethlehem, CT. Matt briefly spoke of the history of his business and its growth in size, employees, and projects. Tom also noted that it is not often that the Chapter gets to meet in Western CT, and he appreciated that so many members came the distance.

Attendance:

There were 42 members and guests present, several who pitched in to help at the Brooklyn Show. Guests included Joe Rogers from Milford, CT, Greg McKenzie from Rye, NY, Tim, Karl Jr. and Karl Sr. Walz from Long Island Chapter, David Nichols from N.E. ATCA, and Norman Bolduc who spent 35 years with Roadway Express.

Secretary's Report:

A motion was made to accept the Secretary's Minutes of the November 14, 2021 meeting as they appeared in the previous January-February Newsletter. The motion was seconded and the members voted unanimously to approve the Minutes.

Treasurer's Report: Tom for Kevin Bachand Reporting period January 1, 2022 - February 28, 2022.

1. Savings Account- Balance Reported
2. Regular Account-Balance Reported
Income: Dues
Expenses: BTS Graphics & Printing, Newsletter postage
3. Show Account – Balance Reported as a sound financial picture to move into 2022.
Donations from Show receipts were made to the charities and the checks were cashed and transfers were made.
Also, the 2022 Show expenses of tee shirts and posters were paid.

A motion was made to accept the Treasurer's Report as presented. The motion was seconded and vote was unanimous to accept the report.

Membership Report:

Lance Dimock reported a membership count of 150 with one new member. Dues have been paid by 101 members through 2022. After carrying 16 dues-delinquent members on the books for several years, they were dropped from the membership roster. The expense of mailing Newsletters is covered by membership dues so it was necessary to follow up on the business of canceling memberships. One and all are welcomed to pay the delinquent dues and return to the Nutmeg Chapter. The Newsletter is uploaded to the Nutmeg Chapter Website.

OLD/CONTINUING BUSINESS:

Newsletter: Donald Arnauckas, Editor

Don thanked Peter and Dorothy Yeomans for the Ford truck stories in the March-April Newsletter and invited all members to submit stories, information, and advertisements by the deadline of March 31.

Website and Social Media:

Kathy and Jonathan continue to update and oversee the Chapter Website.

NEW BUSINESS:

2022 NUTMEG CHAPTER TRUCK SHOW: June 26, 2022

- 1) John Raymond has ordered the flyers, tee shirts and dash plaques featuring Lance's 1944 1-1/2 ton Ford
- 2) The Show insurance and Fairgrounds lease paperwork filing is on track.
- 3) National ATHS has been notified to include our Show date in the next edition of the Wheels of Time
- 4) The Toy Barn: Maggie reported that 8 vendors have committed to booth space at this time.
- 5) Charitable Donations Decisions:
 - ❖ Signs noting the charities that the admission fees support will be set up at the car and truck entrances

- ❖ In addition to promoting the show as a truck event, it should be noted that it is also a fundraiser for charities. This approach could be utilized with the newspapers and Channel 3 mobile television coverage.

- Flea Market discussion: Dash Plaques will no longer be distributed to the flea market vendors.
- Car and truck traffic backups: No problems have been reported by the authorities. A suggestion to have two lanes cannot be acted upon, both for manpower as well as safety features for the Scouts and their leaders. John and his parking crew were commended on the spacing of the trailers that best utilized the lots.
- “Join Us Flyers” are available on FaceBook and the Website and will be distributed at the Show.
- ATM: After discussion, the Board of Directors recommends discovering where the nearest ATM is located and directing anyone in need of funds to go to the nearby bank.
- The Tractor Club is requesting space at the Show for tractors to just show with no pulling event.
- 35-member Woodstock Cornet Band: Lengthy discussion ensued about inviting the band to return for its hour musical presentation at the Show. Pros, cons and history were discussed. It was requested that the Board of Directors, at its May 15 Board meeting, weigh all discussions and make a recommendation to the members at the full membership May meeting.

Topics to be discussed in May:

- To consider having representatives from the DMV or an Over the Road Official as invited guests to set up an informational booth for attendees for purpose of education.
- Move the Truck Registration Booth nearer the entrance to make the process smoother.

OTHER BUSINESS

1. On behalf of the Nutmeg Chapter, Tom presented a Nutmeg ATHS sweatshirt to John Raymond in appreciation of his years of volunteering as Show Chairman.
2. Special thanks were expressed to Kathy Arnauckas, Donna Liamis, and Carolyn O’Connor for setting up, serving and overseeing the sandwich and dessert tables.
3. In Memory/Cares & Concerns:
 - Emile Breault: Harold Foskett remembered Emile as a founding member of the Nutmeg Chapter, active from the very beginning with his 1920 Diamond T. Harold credits Emile with his introduction to the Brooklyn show.
 - Matt Pfahl noted the passing of Dave Natale, owner of American Industrial Truck Models in New Jersey and the great loss by fire of antique vehicles and buildings belonging to Drexel Pentz in Pennsylvania.
 - The Nutmeg Chapter sends continued wishes for recovery to our members who are dealing with health issues.
4. 50/50 Raffle: Charlie Dainton won the raffle and donated the winnings back to the Club.

FUTURE MEETINGS

1. May 15, 2022: Haul of Fame Museum, Canterbury, CT.
2. July 24, 2022: Calvin Neely’s location in East Woodstock, CT.

Adjournment: 3:20

Respectfully submitted,

Betty Jay, Secretary

March 20, 2022 Meeting

Members enjoyed an afternoon at Matt Pfahl's for our March meeting. Thank you Matt for your hospitality. It was great to be together again. It is always interesting to see the latest restoration projects. A White Road Boss is currently being restored. We also had a chance to get a sneak preview of Matt's Model Train Building.

REO COE's Roll

Only New Tractor Completely Designed For

Reo's versatile AC series tractor is proportioned and powered to guarantee the greatest possible payloads for all modern trailers. It is engineered for *greater* power, *greater* maneuverability, *greater* visibility and roominess for the operator, together with *greater* accessibility for service and maintenance, than anything of its kind on the road today.

Measuring only 63" from front-of-bumper

to back-of-cab, Reo's new "Super-V 63" Tractor pulls 35' trailer within 45' over-all, even when equipped with full-size sleeping bunker. This, together with only 29" bumper-to-center-of-front-axle measurement and the greatest selection of axles and transmissions in the industry, guarantees greatest possible payloads within legal limits.

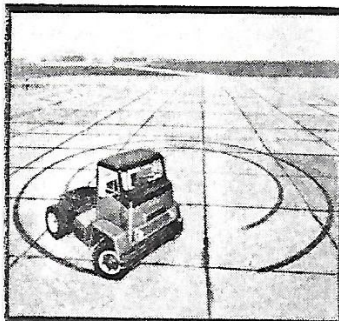

Reo's "Super-V 63" Tractors are available

the Biggest!

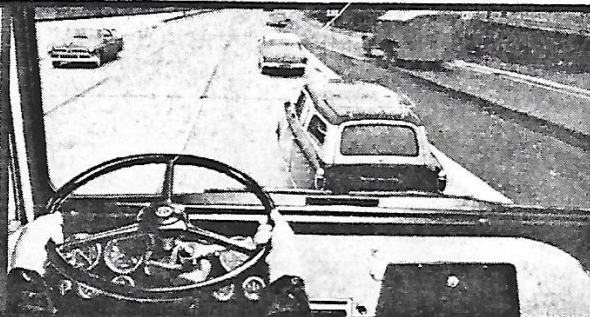

D. C. Hall Transport, Inc., Fort Worth, Texas, operates 36 model AC-603 cab-overs throughout the states of Louisiana, Mississippi, Oklahoma and Texas. They are powered by Reo's Giant 235 h.p.

Gold Comet V-8's. Their fuel consumption averages $1\frac{1}{4}$ miles per gal. more than majority of other equipment in the Hall Fleet. Hall is boosting his Reo fleet to 50 "Super-V" cab-over tractors.

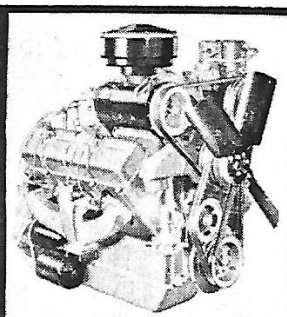

MORE MANEUVERABILITY

Shorter turning radius plus power steering makes city driving and close-quarter handling for dock loading and unloading easier than ever before.

MORE VISIBILITY

Roomy, "Control Tower Cab" with 360° visibility provides greater driver comfort, safety, less fatigue. No distortion. Glass is optically perfect.

MORE POWER

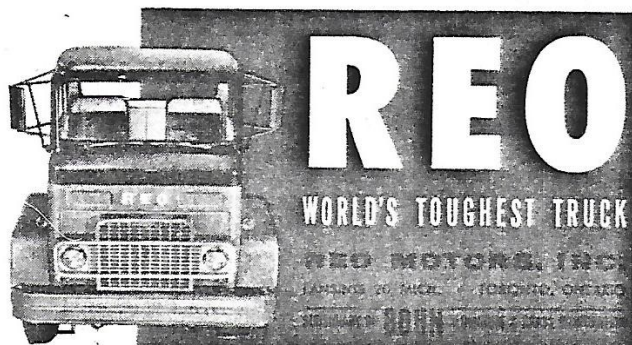

Reo Gold Comet Engines from 140 to 235 h.p. Gas or 160 to 220 h.p. LP-Gas—are up to 35% more efficient than the industry average.

Today's High-Volume Trailers of All Kinds

in all standard wheelbases and range in power from Reo's 140 h.p. Gold Comet six to the giant 235 h.p. V-8—all backed by *Reo's famous 100,000 Mile or 1 Year Warranty*; also available with 175 h.p. Cummins "Turbodiesel".*

So before you buy any other tractor for high-volume trailer operation, be sure and look into the *plus values* in Reo's modern custom engineered 63" cab-over models!

*Trade-mark of Cummins Engine Co., Inc., for its turbo-charged Diesel engines.

The Nutmeg Chapter Needs YOU on June 26!

It takes more than great trucks to make our Show a success. It takes lots of Manpower (& Lady-Power too!) Let's ALL volunteer an hour or 2 and have the best truck show yet! Contact the following and let them know your area of interest!

Show Chairman John Raymond at 860-608-5033 or email johnaraymond1@sbcglobal.net

President Tom Bachand at 774-230-3553 or tbachand@charter.net

Can you help in the following areas?

Saturday set-up: At 1:00pm Physical work. Trash barrels, tables, signs, setting everything up including Flea Market.

Truck Admission: Collect truck admission fee.

Truck Parking: Directing trucks to where they should park. **We definitely need your assistance in this area!**

Truck Registration Booth: Getting the trucks registered and sell Chapter merchandise etc. as needed.

Gate Admissions (Cars): Collect admission fee for those spectators in cars.

Gate Admissions (Spectators): Collect admission fee from walk-in spectators.

Truck Photos: Someone to take pictures of the trucks coming in or when they are parked, Pictures of the activities at the show. These pictures will be used in future Newsletters, on our Web-Site and Facebook pages.

Sunday Clean-up: Physical work. Empty trash barrels, pick-up tables, signs and pick-up everything.

FROM THE EDITOR'S LOG BOOK

CARES & CONCERNS

- * The members of the Nutmeg chapter extend their deepest sympathy to **Lee Johnson and family** on the passing of Lee's wife Ann who died on March 16 after several years of illness. Lee and Ann were married for 63 years.
- * It is with great sadness that we learned of the passing of long-time member **Don Prifti**. Don passed away on April 3 following complications from surgery. Don was also the president of the ATHS Pioneer Chapter. His full obituary will be included in our next newsletter. We extend our deepest sympathy to his wife Nancy.
- * **Richard Laiho** is recovering at home from a lingering illness. Richard would enjoy hearing from his fellow members as he recuperates. If you have some time, give him a call at 860-564-8438. We hope Richard is feeling better each day.
- * **Lance Dimock** recently had knee surgery and is recuperating at home with plenty of physical therapy to occupy his time. We wish him a speedy recovery and look forward to seeing him good as new at our next event.
- * **Jim "JD" Dowd** continues to be homebound. We know he would appreciate hearing for fellow members. If you have a minute give him a call at 413-596-8547.

It is important to *Stay In Touch with each other.*

You can help by letting Tom or Don know of a member or family who should be included in our Cares & Concerns!

It has been a while since we have featured a Nutmeg Chapter Member's Truck! Nutmeg members are **encouraged** to consider telling "your story" about that truck that you have devoted so much time to! You may compose your article or Don can do a phone interview to get your story. We need a photo or two and you will be featured in the next edition! Contact Don at 860-274-4758 or dwatrans@sbcglobal.net

Welcome New Nutmeg Members
