PRESIDENT'S MESSAGE
September-October 2022

Nutmeg Chapter

On behalf of the Officers and Board of Directors of the Nutmeg Chapter, I would like to thank all of the members of the club as well as family and friends who worked at the annual truck show this past June. Without your efforts, this event would not be possible. As in the past, many of our members did several jobs to make the show as successful as it was. With near record temperatures that day, 330 vehicles were registered and the profit of just over \$10,000.00 was reached. The club is in great shape moving forward. As in the past, it is expected at the Annual Meeting in November much of this income will be distributed out to many non-profit agencies at our regional and state level.

I would like to welcome and thank the 14 new members who joined the chapter as a result of our past show. We look forward to meeting you at several of the six bi-monthly meetings run by the chapter on an annual basis. We attempt to have them spread out within the state to make driving to them as practical whenever possible. Please feel free to join us and participate. All members of the club have an equal voice. Thank you!

The Club would like to thank Calvin for hosting our last meeting at his shop in East Woodstock, CT several weeks ago. The air conditioned meeting location was welcomed and his display of tractors and collection of yard maintenance machinery was interesting to look at.

As you may note in the minutes, an overview of the most recent show was conducted. Several items were discussed in order to make improvements on next year's show which is always the Sunday after Father's Day annually. Once again, the wheels of the club are rolling forward to the next show.

In closing, I would like to thank each of you for all of your efforts made throughout the year to keep the Nutmeg Chapter growing, keeping the History of Trucking alive in Connecticut.

Have a fun and safe summer!!!

Tom

We all appreciated the COOL air conditioning on a very hot July afternoon! An unexpected treat.

NEXT MEETING WILL BE HELD ON Sept. 18, 2022 at Coutu's Truck Country, 1535 West Main Street, Willimantic, CT Business meeting will be begin at 2PM. Rob says to Come Early and Stay Late. See what is new at Coutu's Truck Country! Members are always encouraged to bring their trucks to line up in front of Coutu's. Light refreshments will be provided. Members may bring a dessert or snack to share. Contact Rob at 860-423-6004 or Tom at 774-203-3553 if you have any questions.

Directions: US Rt. 6 or CT Rt. 66 are good choices if you are coming east or west. Coutu's is located on the west side of Willimantic one-quarter mile north of Rt. 66 or half mile south of US Rt. 6 on CT Rt. 32.

Coming from the north just take Rt. 32 to Willimantic. You will not miss it because there will probably be something interesting out front.

Membership Report: Lance Dimock

Lance reported a membership count of 164. 14 New members joined at the Brooklyn Show. 35 members owe dues for 2022. In accordance with the Board of Directors recommendation and action voted by the membership at the May meeting, these members who have not paid dues will no longer receive the Newsletter. *Tom expressed appreciation to Rob Coutu for his recommendation to distribute "Join Us" Flyers at the Show. These flyers generated interest and 14 new members. The flyer may be resized for the 2023 Show.

*Ken inquired about the requirements for ATHS membership. If one is a member of a Chapter of the ATHS, the ATHS recommends National membership also. The fee covers annual publications. Also, Charlie noted that the Chapters alone do not have a Federal Tax Exempt status (501 C3) but are covered by the umbrella of the National ATHS organization.

Newsletter Report: Don Arnauckas

1. The Green Mountain Chapter has new leadership and the Chapter is reaching out for help with the August 13 show in Bellows Falls.
2. The Nutmeg Chapter continues to be in need of a Regional Vice President. Don has the job description and this will be a topic of discussion at the Town Hall meeting during the Cortland NY Show on August 12. Please RSVP by August 5 if you are planning to attend the Town Hall meeting.
3. If anyone is interested in restoring a 1987 International Cab Over or knows of someone who might be interested, contact Don for further information.
4. Carl reminded the membership of the October 15 Toplands Farm Diebold Tractor Museum Show & Annual Fall Open House in Roxbury, CT.
5. Deadline for Newsletter Submissions is August 1.

Website Report: Kathy Arnauckas

1. Kathy noted that show photos and classified ads can also be uploaded to the website. Contact her or Jonathan Yeomans if you want something on Face Book.
2. Chat feature on Face book is a source of feedback. An invitation to the Tractor and Agriculture Engine Show in Goshen, CT was extended by Lee Baldwin to our Chapter via Face Book.

OLD BUSINESS

November 13 – Thanks Giving Meeting & Election of Officers will be held at the Haul of Fame Museum in Canterbury: Tom has submitted the deposit for the Matthews Caterers. The Board of Directors had voted to order the regular roast beef and turkey dinner. In 2021 the price was \$26.00 per plate and the Club covered the extra \$6.00 for the 70 who attended at a cost of \$725.00. For 2022 the cost per plate is \$26.95 plus \$4.81 tip equaling \$31.76. The Board recommends covering the extra cost to keep the meal affordable at \$20.00 for members and \$25.00 for non-members. The Board recommends transferring \$2500.00 from the Show account to the Regular Account for this purpose.

ACTION: Motion made and vote was unanimous to support the Board recommendation and make the transfer.

NEW BUSINESS

1. The 2022 Brooklyn Truck Show Feed Back:
 - Appreciation to John Raymond for overseeing the Show from the planning stage to finale.
 - Appreciation to Foscett Equipment for the Golf-Carts.
 - Appreciation to all who brought vehicles and equipment for setting up and tearing down.
 - Appreciation to all the family members who were essential helpers in all areas.
 - It is recommended that tee shirt price should be increased from \$15.00 because of the slim profit margin due to higher prices for varied sizes. Board will recommend increase at next meeting.
 - Registration Booth: Request for extra Newsletters and Event Schedules, extra cash boxes, a membership list. Lance noted that 47 cards were not turned in and that means that 47 plaques were not claimed.
 - Toy Barn: Maggie ran a well-organized operation and all vendors were satisfied. 18 spaces were laid out and three vendors did not show. Maggie recommends shaving the booth size and announcing the reduction in space to the future vendors. As it turned out, there would have been very cramped space if those three vendors did show up. She noted that the \$25.00 vendor fee was not a problem. Also, Jeremiah's of Putnam praised the organization of the Toy Barn as "tops".
 - Flea Market: Charlie was praised for his organization and supervision of the Flea Market. He was also recognized for his consideration in establishing a tribute space in memory of Ken and Daisy Miller, long time members and flea market vendors. Charlie also noted that 78 spaces were laid out, but 10 of those spaces are 'land locked. He would like to ask the Fairgrounds if temporary lines could be marked to better delineate the spaces. The count was 63 vendors.
 - Photographer: An attendee shared his photos for the Newsletter and Website, however all the trucks were not included. Maggie said that she knows of someone who might be interested in the assignment of photographer for the 2023 Show.
 - Parking: The Ashford Boy Scouts could not commit to the parking assignment this year and recommended the Girl Scout Troop. The Ashford Boy Scout leader was able to be on site with a few scouts to offer their help to the Girl Scouts. Tom noted that John Raymond recommended offering the Boy Scouts \$250.00 for their caring support over the years and help this year.
- ACTION:** Motion made and votes unanimous to give the Boy Scouts this amount.
- Advertisement: The Woodstock Villager ran a full page of captioned photos and brief article "Brooklyn Hosts Antique Truck Show". Tom sent a thank you note to the Villager and will consider, if funds allow, advertising in the publication next year.
 - WINY Radio ran over 22 minutes of air advertisement for the Show. The coverage ran beyond Tom's air time right up until the day of the show.

2. Annual Elections

Nominations will be taken from the floor at the September 18 meeting for the 2023-2024 Slate of Officers.

3. Future Meetings

- **September 18, 2022** Coutu Truck Country, Willimantic. Rob's Invitation: "Come Early & Stay Late!"
- **Future meeting possibility:** Zagray Farm Museum in Colchester was suggested as a site for a future meeting.
- **November 13, 2022** Annual Thanks Giving Dinner meeting with Election of Officers at Haul of Fame Museum, Canterbury, CT. Details to follow in November-December Newsletter.

CARES & CONCERNS

1. Tom announced that Addie Coderre of Woodstock has lost her battle with cancer. (The Chapter gave a donation to a fundraiser to assist the family during Addie's treatments.)
2. Jim Dowd has spoken to members of the Club and sends his regards.

OTHER BUSINESS

The 50/50 Raffle winner was Denis Yaworski. Denis donated the money back to the Club.

ADJOURNMENT: There being no further business, the meeting adjourned at 3:15 PM

Respectfully submitted,

Betty Jay, Secretary

Rob Coutu's suggestion of handing out our "Join Us" Applications for Membership in the Nutmeg Chapter paid off in a big way this year. Not only did we have 14 individuals join us, the flyers reminded members to Renew their Memberships at the show too. We are always looking for ways to spread the word about the ATHS and our Chapter. Members suggestions are always welcomed.

ATHS NATIONAL NEWS

ATHS has announced that they will hold a "Town Hall Meeting" on August 12, 2022 at the Brockway Museum in conjunction with the Annual Brockway Truck Show held in Cortland, NY. The meeting is open to all members of ATHS National

Several Nutmeg Members attended the 2022 Annual Truck Show and Convention in Springfield, IL. Over 700 vehicles were on the show grounds. Chico Aragi, Joanne Rooney, and Tom Voccola attended the show. We understand Chico has many 'road stories' to tell about his trip home. If anyone else from the Nutmeg Chapter attended, please let us know. Thank you for representing our Chapter at National.

"Dedicated to preserving the dynamic history of trucks, the trucking industry, and its pioneers."

NEWS AROUND THE CHAPTER

Remembering.....

Charlie Dainton, our Flea Market guy, thoughtfully remembered Ken & Daisy Miller by reserving their usual spot by placing these placards in our Flea Market area. Ken and Daisy occupied this area for many, many years and their contribution of knowledge and expertise of old trucks went a long way to preserving the history of trucks & trucking. Thanks Charlie for doing this for them.

WE GOT THE PICTURE!

Extra special Thank You to **Warren Disbrow** for sharing some of his favorite photos from this year's show. They are featured in this edition.

Also, thank you to **Christine Ward** (Don & Kathy's daughter) for giving it a shot this year at taking photos with her Dad's camera! **Jonathan Yeomans** will also be sharing his photos with the Chapter.

These photos and any other photos from members will be shared on our Face Book Pages (look under Photo Albums), on our website & in the Newsletter.

If **YOU** have any photos of the show to share (even of your own vehicle), please send them to Don .

Where has the summer gone?

A Yeomans Family Tradition!

Dorothy Yeomans shared these photos which Jonathan posted on Face Book. " My dad has a long history of dumping sand with his antique Ford trucks, I'm blessed that today I was able to share that tradition of dumping sand for my kids using the same truck my father used for me. (It's been upgraded with second axle and bigger body)."

Happy Birthday to Elizabeth Robertson

Elizabeth Robertson, our former Membership Chair and who can always be found at our Chapter Booth at the Brooklyn Truck Show, is celebrating her **87th** birthday with her brother and niece in Florida. Elizabeth and her brother share the same August 15 birth date, but different years! Happy Birthday, Elizabeth and thank you for all you do to support the Nutmeg Chapter!

CARES & CONCERNS

- * The members of the Chapter extend sincere condolences to **Art Slie and his family** on the passing of his mother recently. She resided in North Carolina at the time of her death.
 - * **Chico Aragi** has recovered from Covid-19 and his truck is finally back in Sheffield awaiting repairs from his trip to Springfield. Let's get that truck back on the road!
 - * It was good to see **Cynthia Foskett** at our July meeting. She is recovering from a bout of Lyme's Disease and missed our Brooklyn Show because of it.
 - * Speedy recovery wishes to **Richard Dayton** who is recovering from extensive back surgery in early June. He will continue recovery with some physical therapy.
 - * **Jim "JD" Dowd** touched base with us during the truck show. He was really sorry he could not make it again this year. He always worked at the Brooklyn Show and misses seeing everyone.
 - * **Tom Bachand** continues to have back issues and is currently receiving some physical therapy that will hopefully correct his problem and alleviate some of the pain. Take it easy Tom, we hope the PT works.
- It is important to *Stay In Touch with each other. Let Tom or Don know of any Cares and Concerns of a member! Thanks***
